MEET OUR 2020 MARDI GRAS PARADE GRAND MARSHAL

We couldn't host a Winter Carnival with the theme "It's A Kid's World" without paying homage to our very own **Ms. Jeanie** (aka Jeanie Cordtz) as our 2020 Winter Carnival Mardi Gras Parade Grand Marshal. Jeanie has been the owner of Children's House Preschool in McCall since 1991 and has lived in the area for more than 40 years. Jeanie came to the area for life in the mountains and stayed because of the people.

When her two young sons started preschool in the early 1980s, Jeanie trained under their teachers, Mrs. Dewey and Mrs. Darling, who taught her everything she needed to know about the Montessori method. Falling in love with teaching and cultivating young minds, Jeanie found her teaching strengths within art, music and movement, which continue to be her signature teaching style. "My job is to teach those kids to love to learn and that we are ALL learning, no matter how old we are," she says.

Ms. Jeanie offers children's programs throughout the year and has touched the lives of more than 1,000 local children over the last four decades. Jeanie beams with pride when she reflects on the children she has worked with, along with their families, and how she is now teaching the children of her former students.

Her Grand Marshal nominator says:

Ms. Jeanie is preparing our children for the road ahead of them. The children in her classes learn to respect one another and themselves, while learning how to operate in a group by sharing, listening and being held accountable. She teaches them all the skills for success in kindergarten, but the most valuable skill I watched my children learn from her was compassion. After many years of honoring the children of this community, to be able to celebrate Jeanie Cordtz as Grand Marshal would be a wonderful gift of recognition this community could give back to her.

When Jeanie reflects on the McCall community, she feels all the love and support: "I may not make a lot of money, but I have a very rich life."

Ms. Jeanie thank you for being such a light in this community - we are so excited to celebrate you as our 2020 Grand Marshal!

THE INSPIRATION BEHIND THE 2020 MCCALL WINTER CARNIVAL POSTER

This year's poster was painted by one of our very talented local artists, **Jenni Ritch**. The image is a true-to-life sculpture which happens to have great personal significance to Jenni...her own father carved it! She says she can remember standing and looking up at the finished sculpture with a feeling of awe and wanted to capture that idea of a child looking up to a personal hero.

Her father, who was also a local artisan, participated in the McCall Winter Carnival for more than a decade. Now his daughter is carrying on the tradition.

Heroes come in all forms. They can be a comic book superhero or a real live person...even a parent. In a kid's world, we all need somebody to look up to.

Poster prints are available for purchase at Ruby's Kitchen and the McCall Chamber.
